4. Opening hours / assembly and dismantling

The valid opening hours for visitors and contracting partners and the binding hours for assembly and dismantling are to be viewed at pcim.com.

In order to distribute the exhibition space in an optimal fashion, however, we may allocate the contracting partner another space of the same quality, category and size if this is reasonable for the contractual partner.

The guidelines may be viewed in the Shop for Exhibitor Services and at pcim.com.
- b) The construction, design and safety of the stand shall be the responsibility of the contracting partner, unless the stand construction is a contractual obligation of Mesago. - a) We shall be entitled to postpone, shorten, close in whole or in part or cancel the event due to compelling grounds for which we are not responsible (e.g. labour dispute, official or legal order) or in the event of force majeure (e.g. extreme weather conditions, catastrophes, war, terrorism threats, fire, danger to the life or health of the participants, epidemic/pandemic situation). The remuneration payable by the contracting partner shall then be adjusted accordingly or shall no longer be applicable in the event of a full cancellation.
- b) If, in accordance with our experience, it becomes evident that the event cannot have the desired success for the exhibitor due to insufficient participation in the exhibition or due to unexpectedly weak visitor interest, we may cancel the event. - a) Any claims for damages against Mesago shall be excluded. This shall not apply

However in the event that Mesago or the Mesago-Team negligently breaches a material contractual obligation the liability of Mesago is limited to the amount of damages that is typically foreseeable. A material contractual obligation is a contractual obligation, whose performance is necessary to execute the contract properly and whose performance the other contract party may regularly rely upon.The aforementioned clauses do not imply any change of the burden of proof to the detriment of the contracting partners.
- b) If our liability is excluded or limited in accordance with the above provisions, this shall also apply to the personal liability of the employees, collaborators and other vicarious agents and representatives of Mesago.
- c) We have entered into an exhibition insurance against common insurable risks, such as fire, break-in, theft, water damage, etc. We recommend that the contracting partner covers risks by applying at its own cost using the form foreseen for this purpose in the technical documents.

12. Subletting/prohibition of assignment

- a) Without our approval, the contracting partner shall not be entitled to provide the stand allocated to it in whole or in part to a third party for use, particularly to sublet it or accept orders for other companies, unless the third party is a co-exhibitor (= a party appearing at the stand of the contracting partner with its own personnel and a range of products) or a represented company (= a party not appearing at the contracting partner's stand with its own personnel but indeed appearing with its own product range in order to have the contracting partner offer such products). The contracting partner must inform us in writing before the start of the event regarding the person of the third party. The contracting partner shall be liable to us for any breaches by the third party and that the general terms of contract is also valid for and accepted by the third party. Co-exhibitors and represented companies are only such companies which are reported expressly to Mesago as co-exhibitors or represented companies by the main exhibitor.
- b) The contracting partner may not assign any claims against us to a third party.

13. Set-off/retention

The contractual partner may only offset our claims against counterclaims that have been acknowledged by us or have been legally established. The contractual partner may not assert rights of retention or rights to refuse performance in accordance with §§ 273, 320 BGB (German Civil Code) unless we are guilty of a gross breach of contract.

14. Lien

To secure our claims, we hereby reserve the right to exercise a lessor's lien and to have the object under lien sold after written notice pursuant to the provisions of law.

15. Early cessation of a contract (cancellation / German: Stornierung) / Notice of termination (German: Kündigung)

- a) Early cessation (cancellation) of the contract concluded with Mesago (including parts of the scope of performances such as the use by co-exhibitors or represented companies) shall only be possible with our approval. Contractually granted or statutory rights of rescission, revocation, termination or contestation remain unaffected. In the event of cancellation (also with regard to parts of the scope of services such as use by co-exhibitors or represented companies), the contractual partner shall remain obliged to pay us the full agreed remuneration (including the fees for co-exhibitors or represented companies) as compensation for damages instead of performance. The contracting partner retains the right to prove that no damage was incurred or that much less damage than the stipulated remuneration was incurred.
- b) We shall especially have the right to terminate a contract without notice if it is no longer reasonable for us to adhere to the agreement due to the conduct of the contracting partner. It shall »no longer be reasonable for us« for example, if the contracting partner is in default with a not insignificant portion of its payment obligations towards us or the contracting partner repeatedly breaches its other contractual obligations. In the event of termination without notice, we shall also be entitled to demand compensation from the contracting partner of the damage incurred by us due to the conduct of the contracting partner entitling us to terminate the agreement without notice.

16. Place of performance and jurisdiction

Stuttgart shall be the place of performance and jurisdiction, provided the contracting partner is a merchant entered in the commercial register or is a legal person in public law or a special public fund. We shall also be entitled to assert claims before the court competent for the registered office of the contracting partner. Any exclusive place of jurisdiction shall not be excluded hereby.

17. Agreement to film, image and sound recording

The contractual partner agrees and permits that Mesago makes or has made film, image and sound recordings as well as drawings of exhibition stands and individual exhibits in order to document these or for their own publications, especially in Internet and for advertising purposes. This permission of use is unlimited in time and especially includes production, publication, copying, exploitation as well as processing/altering and is thus also unrestricted in substance.
