

## Special Session at the PCIM Europe

Special Sessions are highlighting particular topics in the conference and are organized by an expert of the power electronics industry. The session is usually containing four contributions from different companies or institutions.

Location: Nuremberg, Germany

Date: 9 - 11 May 2023

Presentation type: Oral presentation

Duration: 20 min (*1 min introduction by the chair, 12 min presentation, 5 min Q&A, 2 min for room change*)

Required documents by each speaker:

- ✓ Title and short description by 18.10.2022 (*800 characters incl. spaces*)
- ✓ Picture in high resolution by 18.10.2022
- ✓ Manuscript by 01.03.2023 (*6-10 pages*)
- ✓ Registration at the reduced speaker rate (*January 2022*)

The organizer of the special session will be available for any question regarding the content of the presentation while Mesago is supporting during the submission process, the registration and with any further organisational issues.
