The Platform for Power Electronics

Technical progress and digitalization are changing every industry. The market for power electronics has changed rapidly over the last ten years, mainly due to developments in semiconductor devices and microprocessor technology.

To take advantage of opportunities, it is important for experts to obtain the relevant information from and about the industry in a timely and reliable manner.

Take advantage of the synergy effects and perfectly link PCIM Europe with Power & Beyond.
Reach your target group all year round, fast and easy.

» **Power & Beyond offers information from experts for experts, to remain current in a rapidly developing industry.**

The Portal

At a Glance

The PCIM Europe is the leading international trade fair and conference for power electronics, Intelligent Drive technology, renewable energy and energy management. Thanks to the highly qualified visitors and the unique networking opportunities, PCIM Europe is the annual key event of the industry!

With the digital content platform Power & Beyond (Launch: 2020) you can now benefit year-round from the outstanding position of PCIM Europe and profit from its unique market access.

The thematic focus is consistently oriented toward the organization of the fair: All trends and developments in power electronics are considered on the platform as well as the entire value chain – from components to the intelligent system.

Promote your year-round activities alongside all Mesago events. We will be happy to advise you so that you reach your target group along the entire value chain.

Your Benefit

- With more than 104,000 visits per month, you reach users from the power electronics industry, including numerous visitors of PCIM Europe.
- Take advantage of the diverse solutions and present your communication portfolio according to your individual needs: reach, brand awareness or lead generation.
- Place your message with a consistently growing professional audience and benefit from the dynamics of the rapidly growing content platform.

www.power-and-beyond.com

Target Group

The users of Power & Beyond are analogous to the visitors of the PCIM Europe trade fair and include experts and decision-makers working in management, product and system design, purchasing and research and development. Power & Beyond is highly specialized in its focus, similar to PCIM Europe and offers innovative content for all relevant trends and developments in the power electronics industry.

References

We're excited to continue our partnership with Mesago through Power & Beyond. Their leadership of the PCIM Europe conference instills tremendous confidence in this newest endeavor. Together, we can provide the semiconductor industry timely and impactful information year-round.

Wolfspeed, Inc. 

Power & Beyond is the ideal platform for Nexperia to gather international contacts, reach power engineers around the globe and present our products and technology proficiently.

Nexperia B.V. 

Thanks to the versatile advertising options at Power & Beyond, we were able to increase our reach and generate numerous new leads at the same time - a great possibility to expand the customer base!

Analog Devices, Inc. 

Company Profile

The company profile is a platform for your company to distinctively present your products and services. Based on your own defined keywords, your profile is connected with thematically related technical articles. This way, you can be where your target group is – to demonstrate presence and to be remembered.

Your Benefit

- **Top-quality content mix**
You can fill your company profile with content about your company for the entire duration of one year – without any limit. Thematically appropriate articles from our editorial team automatically appear in the feed of your profile.
- **Defined target group – minimum waste coverage**
Reach your target group in the right context through the automatic feed to thematically matching articles.
- **Enhance the visibility and reach of your content**
Use the target group access of our media brands to increase the reach of your content and raise your brand awareness.
- **Transparent reporting and easy updates in our Customer Center**
You can access values for ad impressions, clicks and CTR at any time to efficiently measure the success of your company profile.

Prices

Basic price per year _____ 2,150.00
Full year care with 4 updates per quarter _____ 680.00

The entry is automatically renewed for another year, at the valid list price, unless terminated in writing three months prior to the expiry date of the contract.

In the upper section, you present your company with your logo, background image, domain and social media contacts.

The overview page shows a high-quality mix of your own content and articles by our editors.

The user clicks to see the full article.

All prices in EUR plus VAT.
